

THROTTLE UP

- A low maintenance, reliable and simple game that challenges players of all ages to play again and again!
- The object of **Throttle Up**[™] is to keep the ball within the Green Zone to win tickets redeemable for merchandise...The longer the player keeps the ball within the Green Zone, the more tickets they win!
- Same GREAT game play as the IAAPA Award Winning **Capsule Craze**[™] / **Bubble Up**[™] , plus an exciting new theme that's geared towards a more mature age group.
- Extensive programming options and self diagnostic features with fully adjustable ticket pay out help to maximize revenue and control the ticket payout.
- **Throttle Up**[™] has all the qualities of another genuine BSR winner. No redemption location can afford to be without it!
