You'll see the crowd's line up as customers "plink" their way to prizes! This nine-slot version of the classic game is perfect for events, promotions or as a standalone game! The strategy is simple, players place a chip against the board, drop it, and it bounces through the maze before landing in a slot where you are awarded a prize!

- Customize your Plinko™ game to your specifications!
- Removable board inserts allow for easy theme change!
- All-weather metal frame for worry-free maintenance upkeep!
