ROLL BALL FEC

**Roll-A-Ball™ FEC Model
6 Player Group Game
Attendant Free**

Features:

- The Roll-A-Ball™ FEC Model can utilize specialized 2" x 4" redemption tickets or standard 1" x 2" tickets.

Game Play:

- Operates without an operator.
- The game is pre-wired to utilize any card swipe system to coin up a game.
- Once a player coins up, the game will begin to count down to start the race.
- Countdown timer resets once another player coins up.
- When countdown timer reaches "0", the race will start.
- Players race their toys to the finish line. First player to the finish line will win a predetermined number of tickets. The more players in a race, the higher amount of tickets rewarded. (Optional)

Recommended Pricing and Ticket Distribution:

- Charge \$2.00 to play.
- Recommend to use 2" x 4" Tickets to redeem for prizes for best incremental results.
- Option available to distribute standard size tickets also.
