

PARK MODEL

BOB'S FISHIN' HOLE

Leave the pole at home, grab a net and dip right in! Catch a big one, place it on the scale and see what you've won! It's that simple! Our fish have RFID chips installed for quick and easy scanning then scale placement! A great game for all ages!

Additional Game Features:

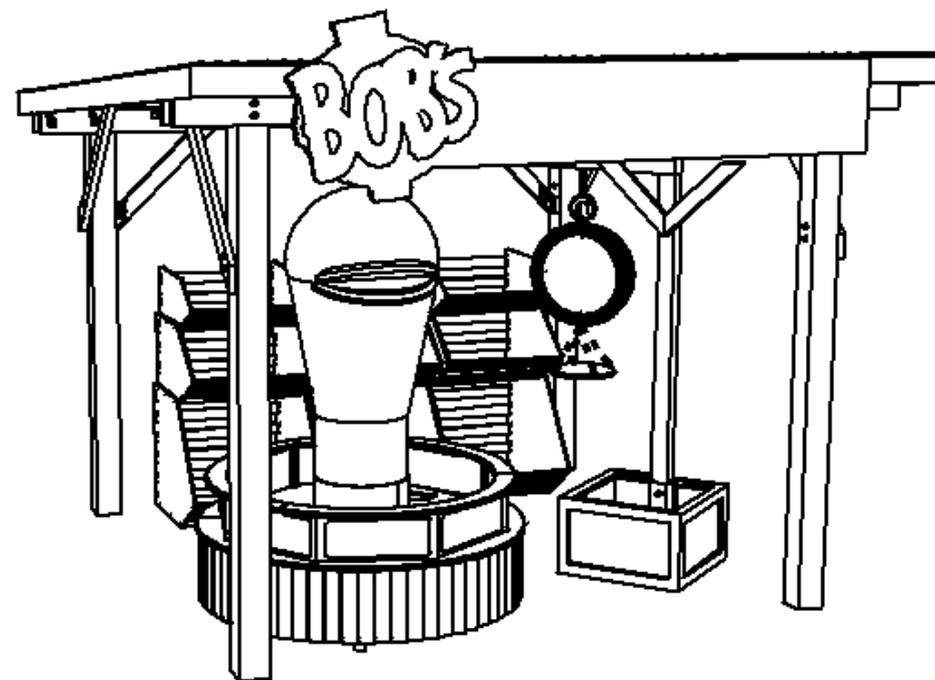

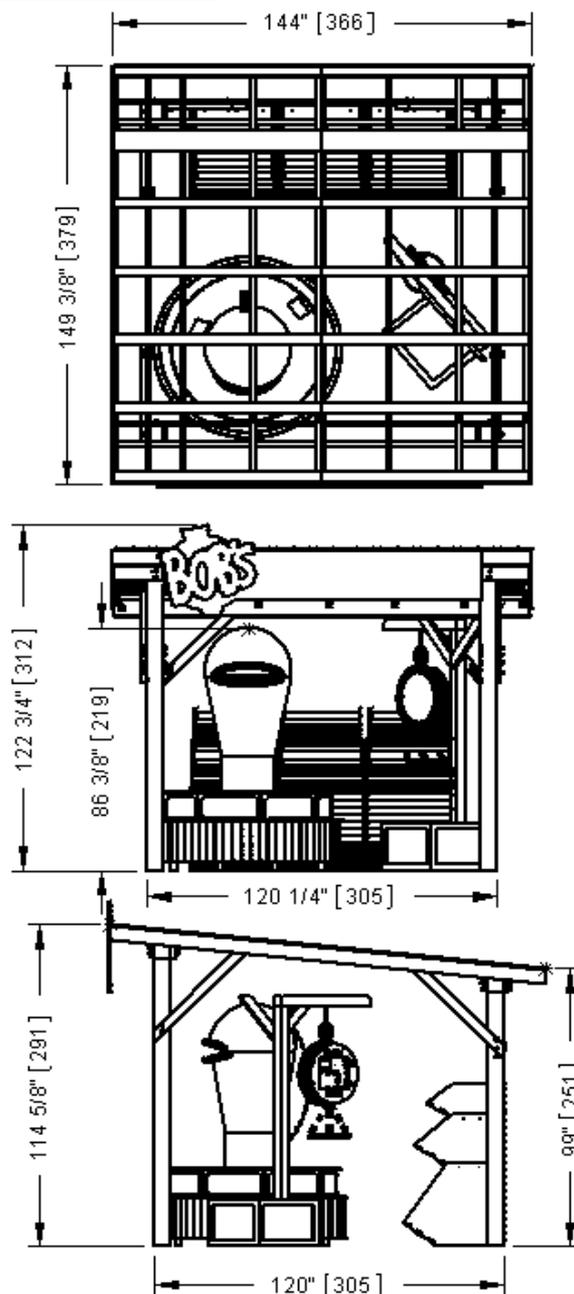

- Fun and colorful fish character.
- Includes a built in Accounting System to accurately account for the number of fish caught and games played.
- Built in and themed game sound.
- Two different programmed game options available at the flip of a switch.
- Self contained & easy to maintain water system.
- 65 Preprogrammed multicolored fish.
- Custom dip nets to catch the fish.

****Bob's Fishin' Hole can be purchased with or without the custom themed building.**
