## LET US BE YOUR HAND SANITIZING SOLUTION!

### 15 REASONS WHY YOU SHOULD BUY OUR HAND SANITIZER STATION:

1. Made in the USA!
2. Made from durable, low-maintenance materials.
3. Our **Sanitizer Station** is completely **HANDS-FREE** – the only surface the customer touches is the foot pedal.
4. Foot pedal is large, highly visible, and easy-to-use.
5. Built for high-volume operations; each gallon container can dispense **4,000 to 8,000** pumps of sanitizing solution; a **HUGE** savings as compared to other gallon dispensers.
6. YOU control the output of the sanitizing solution with an easy adjustment.
7. Large removable tray keeps product from getting on the floor and makes for easy clean-up!
8. Each **Hands-Free Sanitizer Station** comes with one pump nozzle.
9. We have our own supply of sanitizing gel.
10. You can order sanitizing solution directly from us and it have shipped with your order or use your own. Our unit works with gel or liquid sanitizing solution.
11. If you purchase our sanitizing solution, our gallon containers are re-fillable and readily available.
12. Re-filling the unit is simple and takes less than a minute with no tools required.
13. If your units get damaged, all parts are readily available and simple and easy to change.
14. Save money on shipping costs on palletized units of 4 or more.
15. We can **COMPLETELY CUSTOMIZE** your **Sanitizer Station**.
